

22 ARTISTS SOLO SHOWS AT SHOW OFF 6TH EDITION

22 French and international art galleries have confirmed their participation in Show Off 6th edition, which will take place from **October 20th to 23rd**, by the Champs-Élysées, a few steps away from the FIAC.

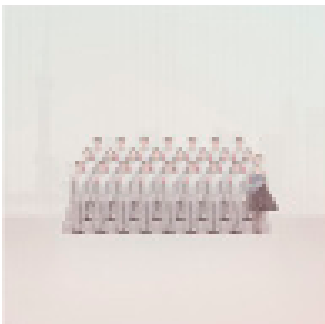

Among these exhibitors, six young galleries with less than 4 years under their belt, selected by a prestigious international committee, will form the «Emergence» section, a sign of the fair's commitment to highlight the latest up and coming artists.
